

Partnership Data Matrix

Category	Projects	Data Needs	IDHW	ICWRTC (EWU)	BSU	Casey
Training and Events	New Worker	Completed Evaluation forms following each session - Transfer of Learning	Limited Information in FOCUS, only record level of degree staff have received, if recorded in FOCUS. Also FOCUS can capture licensure info of staff, if recorded.	Act data base records first name, last name, company, title, IDHW region, address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, edit date, record creator, merge date and training events attended, potential for on-line registration for training, library holdings related to trainings, Academy resources posted on partnership website (www.icwpartnership.org - under construction)	Academy/In-Service Training: Topic Material effectiveness, Trainer/Instructor effectiveness; Pre-training (registration): Name, Title/Position, Hire date, Educational Background, Race/ethnicity, Language skills, Supervisor (name & telephone), address, email, telephone, region and field office assigned, relevant work experience. Academy Training - Title of Training Topic/completed date, Core Academy completion date, Advanced Academy Topics/Completed date.	
	In-Service	Staff certification		Act data base records first name, last name, company, title, IDHW region, address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, edit date, merge date and training events attended, record creator, on-line registration for conference, library holdings related to trainings, training resources posted on partnership website (www.icwpartnership.org - under construction)	Name, Supervisor (name & telephone), address, e-mail, telephone, region & field office assigned, Training Topic / completed date. If sponsoring: Date, Time, Location, Participant eligibility Requirements, Registration, Fees, Point of Contact (POC), CEU status	
	Scholars/ Stipend	Signed contract, practicum location, supervisor, school, affiliation agreement, register, employment, license status	Register status, Hire dates - HR	Historic Act data base recorded first name, last name, company, title, IDHW region, address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, edit date, merge date and training events attended, record creator, year graduated, current employment, current position, MSW program, worked for, works for, Scholars students on data base - ownership and data forwarded to BSU in 2005 for agrigate reporting, potential for demographics on EWU, LCSC, NNU and ISU students	Name, Entry Date, Educational Background, Race/Ethnicity, Language skills, Field Supervisor (name & telephone), address, e-mail, telephone, region & field office assigned, desired regional placement/employment - Intern Field Performance, Placement/Retention/Attrition	
	Instructor Data			For presenters who have registered: Act data base records first name, last name, company, title, IDHW region (if applicable) address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, record creator, edit date, merge date and training events attended, conference badge=presenter. The BSU list would be good to have & would also be helpful to have list of trainings submitted and approved for CEUs for instructor - currently does not currently exist.	Educational Background, Licenses/Certifications, Experience Level	
	IV-E link to training	Academy, Resource Family, Scholars practicum activities		Currently on www.icwrtc.org - training calendar with online registration capability or to just post events of interest to constituents. Online registration allows person posting event to select ACT fields to list to gather data, along with program specific fields, to be recorded in "optional" data fields in ACT. Will move to www.icwpartnership.org - under construction.	Academy: Participant work/training directly linked to IV-E Foster Care: Participants directly linked to IV-E Scholars/Stipend: Participants workload directly linked to IV-E.	
	Resource Families	Race/ethnicity, Pride pre-service completion, license status, Family Development Plan, continuing education needs; demographics from Pride Training and state conferences	Race/Ethnicity - FOCUS (AFCARS) I don't think we want to give out the actual AFCARS exception reports. May want to look to Data Warehouse for FOCUS to provide some of this data. License piece is not in FOCUS Data Warehouse yet. Pride number of hours is in FOCUS, and there is an existing report in FOCUS called the Resource Training Report that would be helpful in regards to the training data.	Act data base records first name, last name, company, title, IDHW region, address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, edit date, merge date and training events attended, foster parent status, spouse, record creator, demographic information, on-line registration for conference and other training, library holdings for completion of FDP, Online training sessions tracked separately - needs to be integrated into database. demographics from PRIDE training (see demographic survey).	Regional # homes, Race/Ethnicity/Age/Marital Status/License Status; topic material effectiveness, Trainer/Instructor effectiveness.	

Partnership Data Matrix

Resource Families	Foster Children	Race/ethnicity, time in care, IV-E status	Race/Ethnicity - FOCUS (AFCARS) - IV-E status by Region I don't think we want to give out the actual AFCARS exception reports. May want to look to Data Warehouse for FOCUS to provide some of this data.	NA	Regional # on Race/Ethnicity, age groups	
	Older Youth	Race/ethnicity, time in care, Ansel Casey Life Skills Assessment, Tap merging (quarterly basis); breakdown of youth by ethnicity involved in system by key decision points.	Race/Ethnicity - FOCUS (AFCARS) I don't think we want to give out the actual AFCARS exception reports. May want to look to Data Warehouse for FOCUS to provide some of this data. The only info in FOCUS (and FOCUS Data Warehouse) about the Ansel Casey Assessment is the date the assessment was completed. We do have Casey TAP Start and End Dates in FOCUS as well as the FOCUS Data Warehouse.	NA		
	Independent Living (need more specifics)			NA		
Evaluation	Family Group Decision Making			New - not defined		
	Exit Interview			New - not defined		
	Academy			New - not defined		
Tribes		FOCUS (not in FOCUS Data Warehouse). No existing reports.	Act data base records first name, last name, company, title, IDHW region, address1, address2, city, state, zip, phone number, phone extension, fax number, fax extension, alternate phone number, alternate phone extension, mobile phone number, contact type, email address, create date, edit date, merge date and training events attended, record creator, on-line registration for conference and trainings, Contact Type=Tribe self selected by participant or from list provided by IDHW.			
Collaboration			Moving toward shared database on partner website (www.icwpartnership.org - under construction). New person being hired to maintain shared database, train users on database, maintain security access according to policies set by partnership. (See position description.)
